Eden Park Primary News

Special Interest

- The Brixham Child Minding Group used our Community Room for a meeting this week
- Book fair has been taking place all week. Thank you to Mrs Cheetham and all those who have helped to run this.
- Michelle Woods came in to talk to Yr3 about looking after their teeth

A lot can change in one week!

A building seems to have sprung up from nowhere! A week ago there was just mud and foundations and now

with the steel frame in place the shape of the new building can be seen.

 2.30 p.m.
 KS2 playground

JOE SAVES MUM'S LIFE !

Joseph Drake from 4AT has been hailed a hero after saving his mum's life on Mother's Day. Joe reacted quickly and calmly as his mum suffered a serious epileptic fit. Using his initiative he told his younger brother, Ric to watch some cartoons whilst he calmly contacted Westcountry Ambulance, giving full details of his mother's condition, the address of the property and then fetched his dad. Paramedics arrived within minutes and have praised Joe for his quick thinking, mature attitude and clear directions. Many adults cope less well in this situation. Well done, Joe !

EASTER FAIR

Friday 7 April
2.30 p.m.

*Easter Hat
 Competition
 Chocoholics Raffle
 Cake Stall
 Name the Soft Toy
 Guess the Weight of
 the Cake
 Bric a brac
 Guess the number of
 sweets*

Year 4 work with Devon Wildlife Trust

We walked for 45 minutes, there and back to Shoalstone beach. There we met three wildlife rangers and two Spanish people. When we were on the beach they explained the safety rules, then they gave us three nets and two buckets, then they told us to search for animals in rockpools and on the beach. Our group found two giant shrimps, some small shrimps and a crab. All of year 4 enjoyed our trip very much and are looking forward to Berry Head on Monday. By Josh Black and Taylor Bond 4SM

Dragonflies Assembly

Dragonflies class have been learning all about the Fire of London. They shared some of the work they have been doing in a colourful and enjoyable parent assembly today. The children used drama, singing, recorder playing, art work, excellent costumes and plenty of humour to present their work.

Well done Dragonflies.

Finally.....Ray our caretaker had a great idea. He suggested that as we now have the big crane on site, we could start a staff bungee jumping club! The only problem was that he thought I should go first! Have a good weekend. Ken Kies
